Hong Kong, 29 April, 2002

To the shareholders,

Dear Sir or Madam,

PROPOSALS INVOLVING GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE SHARES OF THE COMPANY

GENERAL MANDATE TO REPURCHASE SHARES

At the special general meeting of the Company held on 15 June, 2001, a general mandate was given by the Company to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse at the conclusion of the forthcoming annual general meeting of the Company. The Directors propose to seek your approval of the Repurchase Resolution to be proposed at the Special General Meeting. An explanatory statement as required under the Share Repurchase Rules to provide the requisite information of the Repurchase Proposal is set out in the appendix hereto.

LETTER FROM THE CHAIRMAN

GENERAL MANDATE TO ISSUE SHARES

It will also be proposed at the Special General Meeting two ordinary resolutions respectively granting to the Directors a general mandate to allot, issue and deal with Shares not exceeding 20% of the issued share capital of the Company as at the date of passing the resolution and adding to such general mandate so granted to the Directors any Shares repurchased by the Company after the granting of the general mandate to repurchase up to 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution.

SPECIAL GENERAL MEETING

On pages 9 to 11 of this document, you will find a notice convening the Special General Meeting at which ordinary resolutions will be proposed to:

- grant to the Directors a general mandate to exercise all powers of the Company to repurchase on the Stock Exchange Shares representing up to 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution;
- grant to the Directors a general mandate to authorise the Directors to allot, issue and deal with Shares with an aggregate nominal value not exceeding 20% of the issued share capital of the Company as at the date of passing such resolution; and
- extend the general mandate which will be granted to the Directors to allot, issue and deal with additional Shares by adding to it the number of Shares repurchased under the Repurchase Proposal after the granting of the general mandate.

ACTION TO BE TAKEN

A proxy form for use at the Special General Meeting is enclosed herein. Whether or not you intend to attend the Special General Meeting, you are requested to complete the proxy form in accordance with the instructions printed thereon and return it to the head office and principal place of business of the Company at Room 2602, 26th Floor, Bank of America Tower, 12 Harcourt Road, Central, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding the Special General Meeting or any adjournment thereof. Completion and return of a proxy form will not prevent shareholders from attending and voting at the Special General Meeting if they so wish.

LETTER FROM THE CHAIRMAN

RECOMMENDATION

The Directors believe that all the above-mentioned resolutions to be proposed at the Special General Meeting are in the best interests of the Company and its shareholders. Accordingly, the Directors recommend that all shareholders should vote in favour of the resolutions set out in the notice of Special General Meeting.

By Order of the Board
Peter KWOK Viem
Chairman

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution. For the purpose of this appendix, the term “shares” shall be as defined in the Code of Share Repurchases to mean shares of all classes and securities which carry right to subscribe or purchase shares.

1. SHARE REPURCHASE RULES

The Share Repurchase Rules permit companies whose primary listing are on the Stock Exchange to repurchase their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' Approval

The Share Repurchase Rules provide that all on-market share repurchases by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchase.

(b) Source of Funds

Repurchase must be made out of funds which are legally available for the purpose and in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(c) Maximum Number of Shares to be Repurchased and Subsequent Issue

The shares to be repurchased by a company must be fully-paid up. A maximum of 10% of the existing issued share capital of a company as at the date of passing the relevant resolution may be repurchased on the Stock Exchange and a company may not, without the prior approval of the Stock Exchange, issue new shares or announce a proposed new issue of shares for a period of 30 days immediately following a share repurchase whether on the Stock Exchange or otherwise (other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the company to issue securities, which were outstanding prior to the repurchase).

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,120,000,000 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Special General Meeting, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 212,000,000 Shares representing not more than 10% of the issued share capital of the Company as at the date of the Latest Practicable Date.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

4. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and bye-laws and the Companies Act. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for dividend or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the profits that would otherwise be available for dividend or out of the share premium or contributed surplus accounts of the Company.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 December, 2001 in the event that the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARES PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2001		
April	1.700	0.620
May	1.925	1.275
June	1.925	1.740
July	1.820	1.500
August	1.480	1.260
September	1.250	0.900
October	0.960	0.900
November	1.380	0.990
December	1.380	1.250
2002		
January	1.350	1.270
February	1.320	1.200
March	1.220	1.150

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Proposal if such is approved by the shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the shareholders.

7. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, United Star International Inc. together with its associates were beneficially interested in 1,440,000,000 Shares representing approximately 67.9% of the issued share capital of the Company. In the event that the Directors exercised in full the power to repurchase Shares pursuant to the Repurchase Proposal, the shareholdings of United Star International Inc. would be increased to approximately 75.5% of the issued share capital of the Company.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Proposal which, if exercised in full, would however cause the Shares held in the hands of the public to fall below the minimum requirement to approximately 24.5% of the issued share capital of the Company. The Directors will use their best endeavours to ensure that the share repurchase mandate will not be exercised to the extent that the number of Shares held by public would be reduced to less than 25% of the issued share capital of the Company.

8. SHARES REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
