RECOMMENDATION

The Directors believe that all the above-mentioned resolutions to be proposed at the Annual General Meeting are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders should vote in favour of the resolutions set out in the notice of Annual General Meeting contained in this circular.

By Order of the Board
Kwok Peter Viem
Chairman

This Appendix I serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of the passing of the Repurchase Resolution.

1. SHARE REPURCHASE RULES

The Share Repurchase Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' Approval

The Share Repurchase Rules provide that all on-market share repurchases by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchase.

(b) Source of Funds

Share repurchases must be made out of funds which are legally available for the purpose and in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(c) Maximum Number of Shares to be Repurchased and Subsequent Issue

The shares to be repurchased by a company must be fully-paid up. A maximum of 10% of the existing issued share capital of a company as at the date of passing the relevant resolution may be repurchased on the Stock Exchange and a company may not, without the prior approval of the Stock Exchange, issue new shares or announce a proposed new issue of shares for a period of 30 days immediately following a share repurchase whether on the Stock Exchange or otherwise (other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the company to issue securities, which were outstanding prior to the repurchase).

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,023,684,381 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Resolution to repurchase a maximum of 502,368,438 Shares representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its Shareholders as a whole. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders as a whole.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, Bye-laws and the applicable law of Bermuda. Pursuant to the Companies Act, the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, the profits that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of Shares made for the purpose. The amount of premium payable on a share repurchase may only be paid out of either the profits that would otherwise be available for dividend or distribution or out of the share premium or contributed surplus accounts of the Company.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the 2006 Annual Report of the Company in the event that the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARES PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date and for the month of April 2007 up to the Latest Practicable Date were as follows:

	Shares Price

6. UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by Shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders.

7. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following interests in the Shares were recorded in the register kept by the Company pursuant to Section 336(1) of the SFO:
