CITIC Resources Won the “Best Energy and Resources Company Award”

(Hong Kong, 18 January 2021) - CITIC Resources Holdings Limited (“CITIC Resources” or the “Company”) (stock code: 1205) is pleased to announce that the Company has been awarded the “Best Energy and Resources Company Award” at the ceremony of the 5th “Golden Hong Kong Listed Stocks Awards”.

The “Golden Hong Kong Listed Stocks Awards”, which has been held for five consecutive years, is one of the leading Hong Kong stock investments awards. It is also an investment vane to reflect the most valuable Hong Kong listed companies with growth potentials for the year. The 5th “Golden Hong Kong Listed Stocks Awards” was jointly organized by Zhitong Finance, China’s leading news platform for Hong Kong and US listed stocks, and Hithink Flush Information Network. The panel members of the “Golden Hong Kong Listed Stocks Awards” are all economists and professionals from major securities companies in Hong Kong. They judged based on the companies’ financial performances, stock prices appreciation and trading volumes, fulfilled social responsibilities, and compliance level of information disclosure in the past one year. All the listed companies

selected have been studied and scored carefully. So, they all well deserved the awards, and are good investment references for the investors.

The “Best Energy and Resources Company Award” aims to commend the Hong Kong-listed energy and resources companies with stable core business, significant positions in the industry, strong growth, and ability to provide sustainable and stable returns in 2020. CITIC Resources’ winning of the "Best Energy and Resources Company Award” fully demonstrates the high recognition from the Award organizer and professionals in capital market on the Company’s management level, the business development and operating performance of its energy and resources business.
